

Interclub Competitions

1. Interclub competition entries must be submitted in duplicate on the forms provided, either by e-mail or CD to the slide chair. Hard copies which accompany CD's are to be submitted in duplicate. Digital images are to be numbered to correspond to the entry form.
2. A digital image may be entered just once in the McKellar and just once in the Golden Horseshoe. An image that is essentially the same as one already entered may not be submitted subsequently. A penalty of four points will follow a violation of this rule.
3. Only a paid member of an NFRCC affiliated Club is eligible to enter the McKellar and Golden Horseshoe Competitions. Those with memberships in more than one affiliated club may have images submitted by each of the clubs, subject to Rule 2.

Golden Horseshoe Competition

This is held once a year, usually at the Convention. Each Club submits twenty (20) digital images on the following basis. Each Club must submit to the Slide Competition Chair the number and names of members in the Club who are competing in Club slide competitions (both traditional transparencies and/or digitaly projected images) as of January 1st. Clubs with:

- a) Fewer than 10 competing members may submit up to 3 images per member.
- b) Between 10 and 19 competing members, may submit up to 2 images per member.
- c) Between 20 and 29 competing members, may submit up to 2 images from 5 different members, with the rest at 1 image per member.
- d) More than 30 competing members will submit 20 images from 20 different makers.

Clubs which violate the method of submission by competing membership numbers will be penalized by a four-point penalty per each image in violation. These penalties are subtracted from the total score of the 20 images submitted.

The Club with the highest score for the 20 slides will be awarded the **Golden Horseshoe Trophy** for that year.

Images entered in the **Golden Horseshoe** must be numbered in the same way as the McKellar Competition: The numbers from 01 to 20 followed by the Club letter(s). Documentation which accompanies the files will include the photographer's name and image title.
